

DUNFERMLINE ATHLETIC FOOTBALL CLUB YOUTH ACADEMY

SPONSORSHIP OPPORTUNTIES 2022-23

A NEW ERA

DAFC re-established the club's own youth academy in January 2022.

We are committed to creating a centre of excellence to maximise the development of our young players and providing a clear pathway through to our first team.

This forms a key part of our sustainable football strategy.

SUPPORT THE DAFC ACADEMY

Operating an Elite Academy requires substantial resourcing and investment across the season.

Should any local fans and business be willing to support the academy operations, we would love to hear from you.

In addition, DAFC have created a range of sponsorship opportunities linked to our academy.
